

Candwr Solar Farm

November update

- The project team has held discussions with the three local authorities to specifically focus on the transport plan for the project. No final decisions have been taken, and further discussions are ongoing.
- A meeting was held with representatives from Ponthir Community Council, Llangybi Fawr Community Council and local ward members on Monday 17th November to discuss establishing a Community Liaison Group. It was agreed that it was too soon to establish the community liaison group.
- Ecology surveys are continuing through December, including wintering bird surveys, the results of which will be fed into our planning application.
- Our detailed flood mitigation strategy is ongoing.
